

Go World-Class
 at
**BIG SAND
 LAKE LODGE**
 CANADA'S BEST FISHING LODGE OF THE YEAR!
 Manitoba, Canada

It just doesn't get much better than this ... **958 FISH IN 5 DAYS!!** including **Northern Pike, Walleye, and Lake Trout**. Of these, 8 qualified for the Master Anglers program. I would highly recommend your facility to any and all fishermen looking for first-class accommodations and a grand fishing experience. Your staff and accommodations are tops. Thanks to the guides, cooks, and entire staff for the very good service provided to our group of 6 fishermen during our recent stay. We look forward to future trips to Big Sand Lake Lodge.

— Thanks Rick!

HERE'S WHAT OUR GUESTS SAY

Hi Rick,
Our guide was great fun to fish with. He enjoys catching the “big ones” as much as us! The Walleye fishing this year was outstanding. A special thanks to all of you; we’ll always be reminded of your kindness. Just wanted to let you know that once again we had a marvelous time at Big Sand Lake lodge. The meals are always great and the staff excellent. Being fussy, we are always impressed with the neatness and cleanliness of our cabins. Thanks again Rick; you’re what really makes Big Sand Lake our favorite place.

– Best Wishes, Wayne

Hey Rick,
I just wanted to take a moment to tell you what a wonderful time we had at Big Sand Lake Lodge last week. It far exceeded our expectations. The accommodations, staff, meals, and the fishing were fantastic! A special thank you to Lynda in Winnipeg, for all your extra help and lure suggestions as we caught between **400 and 500 fish** during our stay at the lodge. Thanks again, and we’ll see you soon.

Hi Guys,
Thanks again for a spectacular – maybe life changing – experience. The professionalism of all involved will be long remembered and, of course, the FISHING! Our guide made our day **grayling fishing** one of the **most memorable days ever!** This trip was beyond anything we could have dreamed for; so thanks again and keep up the good work!

Another great trip!

To everyone at Big Sand Lake Lodge, let me start by saying our cook, Hilda, was great, as was our camp manager, Murdock. The same can be said for Lyle and Florence whom were there last year. The cabins, the food, and the weather were all fantastic. We couldn’t ask for more. Although you are setting the bar high, we know each year you and the staff will meet it. We caught **more than fourteen Master Angler fish** this year at Big Sand’s Outpost camp.

Thank you for another great trip, and we look forward to seeing you in 2016.

– The Bonnell Group

Come here. GO BIG.

I have been fishing in Canada for over 50 years and enjoy shore lunches, gorgeous scenery, and **catching big fish**. I have fished extensively in Ontario and Manitoba. For the past 20+ years, Manitoba has been our destination of choice. Our group of eight has not missed a year since 1981, and we enjoy the Manitoba Master Angler program because we catch big fish there.

One of the best lakes we have found is Big Sand Lake Lodge. 2015 was our eighth year there, and it did not disappoint. I personally caught a **41-inch Northern Pike** and a **30-inch Walleye**. The guides are very knowledgeable about the lake and where the big fish are. They are also very personable and responsive to the fisherman’s need. The management and staff are very friendly and accommodating. The cabins are clean and well-kept, and the lodge is well appointed. Meals are served punctually and are quite good. And, the shore lunches are as good as any I have ever had.

If you are looking for a new Canadian spot to fish, or just a first timer, put Big Sand down as a potential stopping off point to catch **big Northerns, Walleyes, as well as giant Lake Trout!**

– Jim Sowers

IN MEMORIAM

It was with deep sadness this past year we learned of the passing of one of Big Sand Lake Lodge’s top guides. Mark Dumas guided at the Lodge for a number of years, and his knowledge and experience will be sadly missed. Mark was a great young man that had an even greater love for Big Sand and all the great people he met. Mark is sorely missed and can never be replaced, RIP.

Daily FLY-OUTS

WE GUARANTEE YOU GREAT FISHING AT THE MAIN LODGE

For guests staying at our Main Lodge on Big Sand Lake, you’ll have the option of flying to one of several remote fishing lakes for the day. Accompanied by your guide, you’ll depart the floatplane dock at approximately 7:30 a.m. and return back to the lodge in time for supper. This is only an option, as we guarantee you great success fishing at the Main Lodge. The option to fly out with your guide for the day only adds to the memories of your fishing trip, and it is not something you need to do in order to be where the big ones are. If you’ve never been in a 1946 Norseman flying over the Canadian wilderness before, it’s an adventure you’ll never forget. Chupka Lake is accessible at the south end of LeClair Lake, and the Walleye and Pike action in these waters demands a day’s visit. Longly Lake is a new lake and bound to produce many Pike and Lake Trout. Morand Lake is a 25-minute flight and a hot bed for trophy Lake Trout in June and July. Arctic Grayling enthusiasts will want to venture to the Seal River to experience fishing from a jet boat in the fast-moving waters for these precious trophies.

EVENING FISHING AT NO EXTRA CHARGE!

Now, how great is that?! Fishery biologists have concluded that fish don’t stop feeding after 5 p.m. So here at Big Sand Lake Lodge we asked ourselves, “Why should our guests stop fishing?” Leaving the dock at 8 a.m. with your guide, you’ll fish all day on Canada’s premier catch and release lake. Returning to the lodge around 5:30 p.m., you’ll be treated to hors d’oeuvres in the lodge and a complimentary cocktail at the bar. You may want to relax in your private log cabin or sit out on the deck overlooking the vast landscape of the Canadian north. Then head upstairs to our newly furnished game room for a game of pool, ping-pong, darts, or cards. After your home-cooked meal, which is served in our stunning dining room, you’ll be approached by your guide asking you if a couple of hours of evening fishing are in your plans. Why not? After all, that’s why you’re here!

MASTER ANGLERS

2015's Best of the Best! Big Sand is located 525 miles north of Winnipeg, Manitoba. The lake is 70 miles long with over 60,000 acres of pristine waters, containing the most sought-after trophy fish in North America. Big Sand Lake commonly yields 20-30 lb. plus **Northern Pike**, 40 lb. plus **Lake Trout**, 4-6 lb. average **Walleye** and **Arctic Grayling** that are found throughout the many rivers and streams flowing in and out of Big Sand Lake.

REMOTE OUTPOSTS

Is the Main Lodge not what you are looking for? Big Sand Lake Lodge has taken the traditional outpost and raised it to a new level. We give you the best fishing opportunity that Canada has to offer, and all you have to bring is your clothing and fishing gear; everything else is provided.

CHIPEWYAN LAKE OUTPOST

Chipewyan Lake Outpost is the northern most lodge located on the South Seal River system. It has access to three lakes including Otter, Loon, and Fox, as well as the South Seal River to the north. This area remains vastly unfished and unexplored with bays, creeks, and coves still unnamed and untried. Remember the stories you heard as a youngster about lakes in Canada that were teeming full of big fish? Well, Chipewyan Lake is one such place. Left unspoiled for hundreds of years, Northern Pike, Walleye, Lake Trout, and Arctic Grayling are found here in great numbers and great size! Chipewyan Lake has one guest cabin for six to eight people, as well as a separate kitchen building where all meals are prepared along with shower facilities. A camp manager and camp cook are supplied along with all food and bedding.

Included in your trip:

- Round-trip air from Winnipeg to Big Sand's private airstrip
- Floatplane trip to and from Chipewyan
- 16-foot boats with padded seats and backs
- 15 HP 4-stroke Yamaha motors
- All gas
- Food
- Cook and camp manager
- 5- and 10-day trips

LECLAIR LAKE WILDERNESS CAMP

Leclair Lake Wilderness Camp is the true beginning of the South Seal River system and is adjoined to Big Sand Lake at the very most southern end. Best known for consistently producing Manitoba's top Northern Pike every year, Leclair Lake has access to two excellent lakes, all of which have hundreds of great shallow bays and weed beds. Plenty of rock structure also provides ideal habitat for unstoppable Walleye action. Located just north of the camp is North Leclair (Cline Lake) boasting several great bays where trophies are waiting, and it's not uncommon to watch these monsters follow your hook right up to the boat and then gingerly turn away, as if to say, maybe next time! Here your skills are truly tested. This lake is a short portage from the main camp, and the walk is approximately 15 minutes. We do have a four-wheeler to transport your gear back and forth, if required. Six boats are kept here all summer. Leclair Lake has one guest cabin for six to eight people, as well as a shower building and a separate kitchen building where all meals can be prepared. You are on your own, self guiding and preparing your own meals.

JORDAN LAKE WILDERNESS CAMP

Jordan Lake Wilderness Camp is fed from the west and flows northeast via the Kitimiwi River to Kitimiwi Lake and into Big Sand Lake. Best known for quality Northern Pike and Walleye action, the northeast part of Jordan Lake narrows to become the Kitimiwi River where these fast waters are home to trophy Arctic Grayling. This large lake is fed by numerous small rivers and creeks teaming with fish and all of which have great shallow bays and weed beds. Numerous rock structures also provide ideal habitat for incredible Walleye action. Jordan Lake has two cabins for guests and can hold groups of two to 14 people, as well as a shower building and a separate kitchen building where you prepare all your own meals. Jordan Lake Wilderness Camp allows you the opportunity to have an entire lake to yourself. Jordan Lake will accept smaller groups of 2, 3, 4, and 5 people with a maximum capacity of 14. If you're looking for seldom-fished waters, Jordan is your place to go.

SPRING BEAR HUNTS

We offer combination Spring Black Bear Hunt / Fishing trips from our outpost camps on various lakes in the area. We have baited ladder stands with opportunity for world-class black bear. There is no resident hunting pressure, and many color phase bears are taken every year. Call our office for your chance to hunt the bruins in their native habitat.
